

Céline d'Orgeville to Stephen, Paul, Wen, Brian, Christopher, Alexander, Celine, Gerard, Chris, Jonathan, James

3:37 PM

Dear all,

Tomorrow's agenda for the day will also include:

- 12:30pm: RSAA BBQ (will take place every other Friday - bring some cash to buy sausage s (\$4), hamburgers (\$5), and drinks)
- 1pm: tour of the EOS laser lab at the AITC at 1pm, hosted by James Webb (EOS laser engineer)
- 2pm: tour of the EOS Laser Tracking Station and EOS 1.8m telescope, hosted by Jonathan Poonpol (EOS telescope operator)

In order to help with your travel logistics, I thought I should mention that a student bus is running every day between the ANU campus and Mount Stromlo, arriving at Stromlo at 9am and leaving at 5pm. I'll send you more info on where to catch the bus later today.

I'll meet you tomorrow at 1pm in the AITC hall (the BBQ is held just outside of it) and take you to the EOS laser lab for the tour. Please come prepared with questions on the EOS laser and EOS telescope relevant to your project!

Best wishes,
Celine

Hi All,

The audit tutorial will be held this Friday from 9:30am - 10:30am at Mt Stromlo (the same meeting room as last Friday). Chris and I will be there.

As always, feel free to email me if you have any questions.

Looking forward to seeing how you're going.

Cheers,
Gerard
